A myriad of unprecedented rates and privileges at luxury hotels throughout the world

The Peninsula Paris

Baccarat New York

The Connaught London

Dear Member,

Welcome to the Little Emperors & Co. Travel Guide, a comprehensive list of hotels and travel partners affiliated with the Little Emperors programme.

Little Emperors has strategically selected hotels that best suit our membership demographic. In most cities, we have relationships with a business, a luxury and a boutique property.

Our hotel rates are negotiated through our volumes channelled into our selected properties.

This can either be a direct reduction from the hotel's online best available rate, or a fixed corporate rate valid throughout the calendar year.

Our rates are non commissionable, securing the lowest available rates for our members and corporate affiliations.

For enquiries and bookings please email concierge@littleemperors.com

An aerial, high-angle photograph of a city at night, likely Paris, with the Eiffel Tower visible in the distance. The city lights are dim, and the overall scene is dark. The word "EUROPE" is overlaid in the center in a large, white, serif font.
